

## **ANNOUNCEMENT**

26 Oct 2020

### **WiseNet Asia and Singapore University of Social Sciences (SUSS) Signed MOU to Collaborate on Internship and Entrepreneurship Programmes**

With mutual interest in the field of training and development, and to promote international collaboration, WiseNet Asia and SUSS have signed an MOU to work together in the following areas:

- i) Co-designing of internship programmes for SUSS students in overseas markets
- ii) Expand SUSS entrepreneurship programmes to overseas markets, bridging entrepreneurs through networks and activities

WiseNet Asia will work with employers in Asia Pacific on the placements of interns, which will be on either remote internship or on site, depending on COVID-19 developments and measures in each country. For the entrepreneurship programmes, WiseNet Asia will co-ordinate with overseas companies interested at expanding into Singapore and ASEAN by matching them with a Singaporean co-founder from SUSS who is equipped with entrepreneurial skillsets.

For more information about the internship and entrepreneurship programmes, please refer to the following:
